

BIDYA DIP B.K

JOB TITLE HERE

PROFILE

My name is Bidya Dip B.k, and I recently graduated with my bachelor's degree in computer science and software engineering.

A hard-working developer with the skills to provide creative, elegant solutions to a problem. Developed an blood request mobile app, reviews system website, as a personal project and face detection attendance system using java as a

UG project. I understand the value of hard work, punctuality, and working as part of a team. My ambition is to enroll in most IT fields and learn as much as I can. I would like to contribute my talents to a small or large organization and help me grow my skills and experience with you.

Skills:-

- HTML, CSS and JavaScript
- AngularJS basic
- MySQL
- ReactJs
- Java, C#, Python Basics
